

Subject No. 284.
One village-one
Patel.

Summary of discussion.—Two or three villages are grouped together and one Patel appointed for them. Government work suffers thereby. A separate Patel should be appointed for every village.

Dewan's reply.—This is generally done.

Subject No. 285.
Sanitary Engineer's
visit to Municipalities.

Summary of discussion.—The Sanitary Engineer should be requested to visit, once a year, every one of the minor Municipalities in the Province, and suggest works of improvement thereto.

Dewan's reply.—Impracticable.

Subject No. 286.
A sluice in Kunigal
Tank waste weir
channel.

Summary of discussion.—There was a sluice in the middle of three dams constructed across the waste weir channel of the Kunigal tank called the Nademavinapurada dam. This has been blocked up by the P. W. D. to the prejudice of the lands lower down, which suffer from want of water in the hot season. This was represented in the last assembly. The sluice may be ordered to be re-opened.

Dewan's reply.—The subject has come up before Government on petition and will be disposed of. It is not a matter for discussion here.

Subject No. 287.
Water-supply for
Kunigal Musafarkhana.

Summary of discussion.—Water-supply arrangement is required for the Government Musafarkhana under construction at Kunigal.

Dewan's reply.—The Deputy Commissioner will see to this.

Subject No. 288.
Site for Kunigal
Town extension.

Summary of discussion.—Building sites are required at Kunigal out of the land, east of the Taluk Cutcherry, now used for growing grass by the Military Department.

Dewan's reply.—Ask Deputy Commissioner and he will do the needful, submitting a report to Government if necessary.
